

The **Coalition of European Lobbies for Eastern African Pastoralism (CELEP)** is an informal advocacy group of European organisations and specialists partnering with pastoralist organisations and specialists in Eastern Africa.

The CELEP members and partners combine forces to lobby their national governments and European and Eastern African bodies to recognise and support pastoralism and pastoralists in the drylands of Eastern Africa.

We are part of the international movement to designate an **International Year of Rangelands and Pastoralists (IYRP)**.
